

ACTSMS NEEDS YOU

Entries for the Canberra Show close on the **15th of December**. You'll find entry forms at the back of the December newsletter.

The ACTSMS is expecting a big submission from members and plenty of help to support the event and man the ACTSMS display/work table. As mentioned in the Presidents report, Ross Carlyon is coordinating the event, so speak to him if you require any information on what to enter and how to go about doing it !!!

Remember, entries close shortly so get your models together and submit them for judging. Let's see a big turnout for the ACTSMS and a positive demonstration of the skills we have and the quality models we have produced over the last 12 months.

...WHAT ARE YOU WAITING FOR?

Canberra Show 26-28 February 2010
